The facility was established during the Shums-dae era and was reopened as the Kukje mondial clinic. The clinic was handed over to the church in 1763 and was expanded in 1869-1870 and in 1902 by Shinilhoe, a neighborhood in Dongdaemun, and the medical building was called the 'Mondial building' after this. The church raised the funds for the building and the resulting medical facility. The Montan Methodist Medical Mission building was expanded in 1950 and it was fully reconstructed in the 1970s. In the same year, the present building was built for the first time and the hospital has been expanding and expanding. The hospital is training skilled nurses and training doctors. The hospital has the main building, the

department building and the administration building which are the only buildings to have been reconstructed. The three buildings are held by
